ASIAWATER 2010 - THE EVENT WITH FULL INDUSTRY BACKING

ASIAWATER 2010 will support the advancement in the water industry by creating an important platform for industry professionals in the region to meet and foster closer cooperation.

YAB Dato Sri Mohd Najib, Prime Minister, Malaysia

The staging of ASIAWATER 2010 Expo & Forum is a testimony that Malaysia is today an important hub for the water industry in the region.

YB Datuk Peter Chen Fah Kui, Minister of Energy, Green Technology & Water

I am pleased to support the staging of the ASIAWATER 2010 Expo & Conference and congratulate the Malaysian Water Association and AMB Exhibitions for their efforts in making it a success.

Dr. David Garman, President, International Water Association (IWA)

ASIAWATER 2010 is important as it provides a nexus for the water sector to exchange ideas, share best management practices, build partnerships and update on the latest technological advances.

Mr. Ahmad Faizal Abdul Rahman, CEO, Water Asset Management Company Malaysia (WAMC)

Significant cost savings can be realized with more efficient equipment and monitoring systems and will at the same time contribute towards a greener world. We invite those in the industry to make it a point to be at ASIAWATER 2010 - it is without doubt your best investment of your time.

Tan Sri Dato Dr Ahmad Mustafa Babjee, President, AMB Exhibitions
